## Logging in

1. Begin by navigating to the Administration login page. This is located at <http://<your website address>/admin>
2. Login using the username & password provided.

If you experience any issues logging in please contact the Motorcentral Support team.

## Adding a new image to the gallery

1. Once logged in, click the **Add New** button located towards the top of the screen.

2. Select a **Category** from the drop down menu.
3. Upload a photo to add to the gallery:
  - a. Click **Choose File** and browse to the image on your computer to select it
  - b. Click the **Upload** button once you have selected your file. Once uploaded a thumbnail view of your image will displayed

If you opt not to choose a photo then a default image will be displayed instead (normally your logo).

4. Click **Save** to publish the photo to your website.

## Editing a photo

1. Once logged in, locate the photo you would like to modify and select the **Edit** link below it.
2. Complete **steps 2 thru 4** in the **Adding a new photo to the gallery** section above.

## Deleting a photo

1. Once logged in, locate the photo you would like to modify and select the **Delete** link below it.
2. Click **Yes** to confirm deletion.
